EACH SYMBOL STANDS FOR OUR BELIEF
OUR ICONS FOR SERVICE & QUALITY

Non-discountable net price, only while stocks last.

With NU finishes, you can design all cosmetic mirrors and hotel bathroom accessories in the surface and color of your choice. We then apply these as a high-quality PVD coating. Brilliant, durable, scratch- and corrosion-resistant and easy to clean.

Londoner Colorline offers Londoner leather accessories in the color of your choice. The standard color selection already offers 60 perfectly harmonized shades. You are certain of finding the right one. However, if you prefer a specific color, we can certainly assist you.

Flexibility is half the battle. And because we know this, we always try to make your wishes and ideas come true. Can't find the right color or surface? Then contact us!

GUARANTEE
chrome finish

We grant a voluntary guarantee of 10 years on our chrome-plated surfaces. Please note our installation and care instructions.

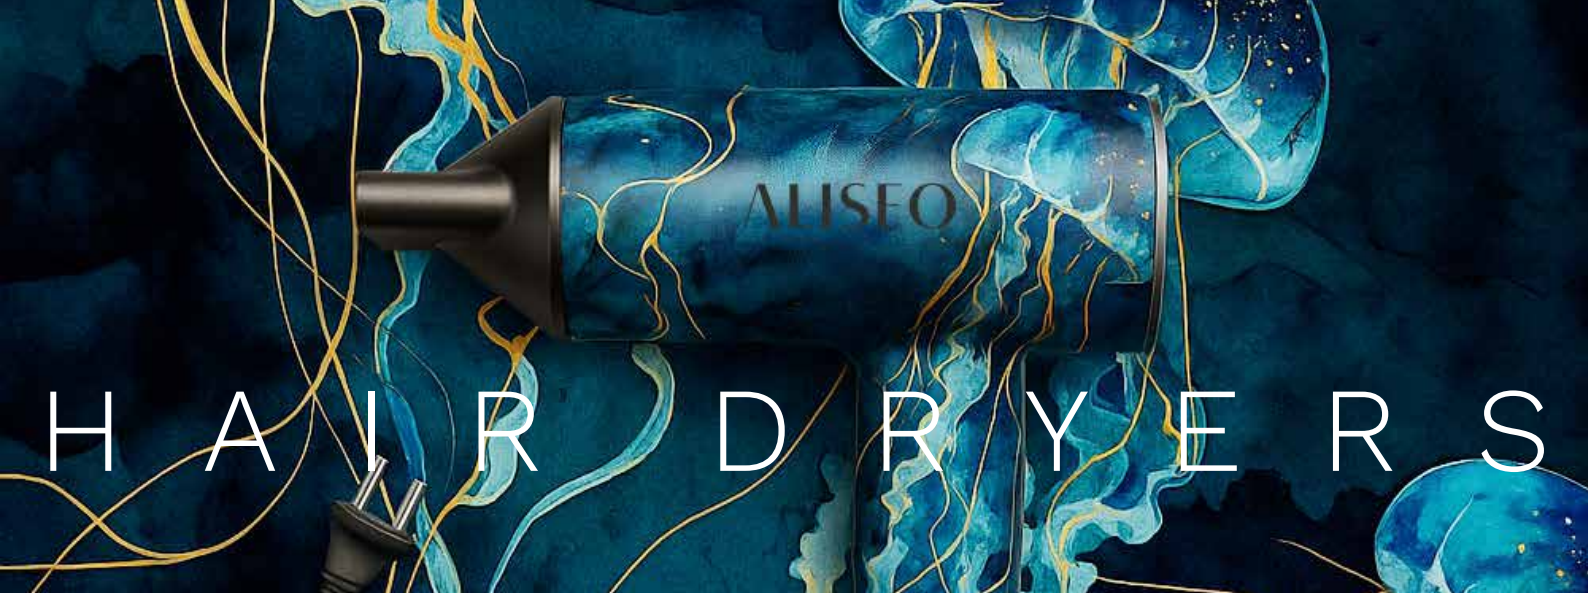

GUARANTEE
PVD

Our surfaces in special colors are created by PVD coating. Whether high polish, brushed or matt, the advantages are clear: it is durable, scratch-resistant and withstands moisture. And because we are convinced of the quality, we offer a voluntary 5-year guarantee. Please note our installation and care instructions.

GUARANTEE
powder coating

Matt black or white have become timeless classics. These surfaces are shown to their best advantage with a powder-coated finish. And because quality awareness is our top priority, we offer a 2-year guarantee on our items with powder-coated surfaces. Please note our installation and care instructions.

UNLIMITED CHOICE OF COLORS

There are no limits to creativity. Almost any color can be implemented using the PVD process, making any vision a reality. And it's very simple: a sample is all we need to determine the color. However, the manufacturer's color code, which the ALISEO product should match, is often sufficient.
